**Roundtable Discussion**  
with **Michael O'Hanlon**  
Brookings Institution, Washington, D.C.

Please join us for a public roundtable discussion on the future of transpacific relations with Michael O'Hanlon, Senior Fellow of Foreign Policy at the Brookings Institution and adjunct professor at Columbia, Princeton, and Syracuse universities. Dr. O'Hanlon is co-author of *Bending History: Barack Obama's Foreign Policy* (2012), considered one of the best books on the former president's international politics.

As the U.S.-China relationship appears to be at a crossroads, Dr. O'Hanlon will provide a balanced assessment of the current state of relations and suggest measures that could help stabilize the security relationship without minimizing very real problems to address.
